Report of the programme

The program started with the inaugural ceremony and welcome note by Dr. K V Ramana Reddy, Principal ACDS. It was attended by 180 delegates including staff, post graduate and undergraduate students and private practitioners

The lectures were highly informative and gave a fresh perspective towards patient management and latest treatment options to both students and staff alike. The workshop involved demonstration of the equipment and usage of inhalational nitrous oxide sedation followed by a course on basic life support.

Overall the program received good feedback.

REPORT

An extensive program including lecture, live demo and Hands-on, was organized on 12th December 2019 at SUSHRUTA AUDITORIUM, Army College of Dental Sciences, Secunderbad under the guidance of **Dr Ramana Reddy**, Principal, Army College Of Dental Sciences, Secunderabad.

Speakers were Prof. Andreas Halamoda and Dr. Anam Chandrashekar.

Hands on was conducted for the postgraduates of Prosthodontics, Periodontics, Oral surgery.

THE PROGRAM INCLUDED

1. Implant design for long term success and stability By Dr. Anam Chandrashekar
2. Guided Implantology and digital solutions by Mr. Andreas Halamoda
3. Hands-on program where the registered students participated.

The program was attended by head of the departments, post graduates of all the departments and interns.

The program was highly appreciated and received excellent feedback from the participants. Program was followed by an interactive session in which doubts of students related to the lecture were answered.

REPORT OF THE PROGRAM

A two-day workshop on BICON-MINI IMPLANTS was conducted at Army College of Dental Sciences, on 19TH & 20TH January 2020 at Sushruta auditorium by the Departments of Oral Implantology. The organizing committee constituted the Staff and PGs of Department of Oral and Maxillofacial Surgery, Department of Periodontics and Department of Prosthodontics. The course directors Dr G Srinivas Reddy- Country Head, Bicon-India, Dr KV Ramana Reddy- Principal, Prof & HOD, OMFS, Dr G Ajay Kumar- HOD, Prosthodontics, Dr Sanjay Vasudevan- HOD, Periodontics guided and motivated us throughout the course and helped all the participants to benefit from this excellent opportunity to learn and practice the advanced dentistry.

The workshop was scheduled for two days with lectures, Hands-on session and a live-surgery demonstration. The registrations for the course started at 8:30 AM and the inauguration and a lamp lighting ceremony accompanied with a prayer song by our 2nd year student Miss Sneha B. was done in the presence chief guest Dr. Pramod Kumar G., Member DCI, International Speakers Dr Vincent J Morgan, DMD & Dr Laura Murcko, DMD, Dr G Srinivas Reddy, Country Head, Bicon-India and our principal Dr KV Ramana Reddy.

The scheduled lectures by international speakers took place from 9:30 AM and continued till 01:00 PM with a tea break in between. Post lunch session was occupied by a live-surgery demonstration which was performed under the guidance of Dr Vincent J Morgan & Dr Laura Murcko for a better understanding of the procedure and it was witnessed by participants in the auditorium on a LED screen. After a short tea break, the participants attended the hands-on session which was conducted in the pre-clinical laboratory of the Department of Conservative Dentistry. The same schedule was followed on the day 2 as well.

The certificate distribution was done on day 2 and it was handled by the Department of Periodontics. A positive feedback was received from the participants at the end of the course.
