Awareness Program On Gender Sensitization (Equality Has No Gender)

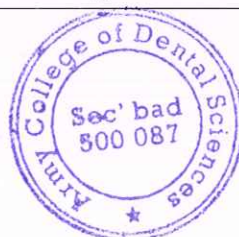

A talk on the topic “Awareness program on gender sensitization” was organized on 11-09-2020 in Army College of Dental Sciences premises in LH4. The event started with some fun activities that included drawing characters like firefighters, nurses, and police officers and then participants were asked what made us see these roles as gender. The second part of the program included some important information on why is gender sensitization important? Why pronouns are specific now? Etc. Students were also shown an “introduction about Transgender people” National center of the transgender community. The host gave a speech and the session was ended in a very interesting and interactive manner. Students were participating and asking their doubts openly. The entire motto of the event was to build an environment that accepts each and every individual with open arms throughout the event one agenda was repeated that equality has no gender.

International Women's Day

Army College of Dental sciences celebrated international women's day on the 8th of March 2021. The event was inaugurated by Col R Ashok Venkatraman, registrar of ACDS followed by a speech by Dr. Mamta Kaushik and lamp lighting. The purpose of celebrating Women's Day is – to raise awareness about the status and dignity of women among the students. An essay writing competition on Women's Day was conducted in the morning and many of the students had participated in that. It was interesting to know that boys also participated in it. After the completion of the essay writing competition, a short program was conducted in the auditorium of the college.

Mother's Day

Mother's Day is a special day for all children and mothers because it celebrates the everlasting bond of love and affection. Mothers are the family's emotional backbone, with the magical ability to heal all wounds and make all things beautiful. On the occasion of Mother's Day, 10-05-2021, the Army College of Dental Sciences, Secunderabad, organised a singing and dancing competition. Dr. KV Ramana Reddy, Principal, ACDS, opened the event with a warm welcome speech and asked the chief guest Principal of Army Public School to assist him in lighting the lamp. The first-year BDS students performed an opening group song to kick off the event, after which the students divided into teams for the singing and dancing competition.

Women's Health Matters- End Inequality Pandemic

Women's Health was the focus of an event held at ACDS. Students from the first year performed a skit on the same subject, depicting the situations of women in rural and urban areas, as well as some health issues. There was an open discussion about how the government should take action to improve the medical conditions of women. An intern gave a presentation that included a graphical representation of changes in women's health issues. Dr. Subramanya Sharma, Principal of ACDS, delivered the closing remarks.

Journey Of A Teenage Girl

Dr. Krishna Priya, Professor, and Head of the Department of Pedodontics, addressed the students of the Army College of Dental Sciences on 11-12-2019,. She talked about an adolescent girl's journey and the different transformations she needs to go through. A poster competition was also held, with the top posters being judged and awarded. The children participated enthusiastically in the tournament, and the event was a big success. The event's goal was to educate students on the importance of maintaining good health and cleanliness during menstruation.

Program On Women's Self Defence

Army College of Dental Sciences organized a talk on the self-defense program for women on 24-01-2020. The event was inaugurated by registrar ACDS followed by a warm welcome speech and requested the chief guest Chairman Army dental corps to assist him in lighting the lamp. The talk was primarily focused on the importance of self-defense for women to be able to protect themselves against anything that's unacceptable in terms of social conduct. Also, the importance of women's empowerment to lead a healthy and fulfilling life by encouraging them to deal with stressful and dangerous situations independently, a discipline which transfers over to all other areas of life a helps woman be calmer, understanding, flexible, gain body and mind control, be more responsive than reactive, more observant, and achieve cognitive awareness. Self-Defense programs are also a fun way of exercising and building a healthy body, thereby improving physical and mental health.

Women Empowerment

On the 10th of March 2020, a talk on the topic "Women Empowerment" was held at the ACDS premises in the Shusrutha auditorium. The event was attended by students from all batches as well as teaching and non-teaching staff. The event began with a presentation on the subject. "Women: India's Future" Dr. Vaishnavi, senior lecturer in the department of periodontics, addressed and motivated the non-teaching staff and the conservancy people to favour their girls in every way. The event concluded with an informative report analysis of Asian women's economic empowerment. The event's agenda was to raise awareness about how and why women's empowerment is such an important issue, and how each of us can play a significant role in it.

International Women's Day (Think Equal, Build Smart, Innovate for Change)

On March 8th, 2019, the Army College of Dental Sciences observed International Women's Day. Dr. Ramana Reddy, Principal ACDS, officiated the event, which was followed by a speech from Dr. Krishna Priya and the lighting of the lamps. Women's Day is celebrated to raise awareness among students about the status and dignity of women. Many students participated in an essay writing competition on Women's Day in the morning. It was fascinating to learn that boys took part as well. Following the conclusion of the essay writing competition, a brief programme was held in our college's multipurpose hall with the goal of raising awareness among all about the importance of equal recognition.

World Health Day (Eat Right, Be Bright!)

On the occasion of World Health Day, Dr. Sanjay Vasudevan, Professor and Head, Department of Periodontics, addressed the students and staff of Army College of Dental Sciences in the college auditorium on April 9, 2019. He discussed the shift in the mindset of today's youth, who are more concerned with exercising than with eating properly. He emphasised the significance of proper nutrition. Principal Sir recognised the significance of proper nutrition and presented Dr. Sanjay Vasudevan with a college memento. The students were encouraged to eat a fresh and healthy diet as much as possible, with an emphasis on avoiding fast food and increasing consumption of a nutritious diet.

On October 17, 2019, an event on the topic "Breast cancer awareness programme" was held at ACDS premises in the auditorium in collaboration with the Indo-American Cancer Institute, Hyderabad. The programme was attended by girls of all years, from first year to interns, as well as postgraduates, teaching and non-teaching staff. The event began with a lecture by Dr. Sai Rajendran, ACDS's Head of General Surgery. The primary goal of this programme was to raise breast cancer awareness, particularly among female teaching and non-teaching staff and students. Even among the educated, there are many misconceptions about cancer, particularly breast cancer, and it is alarming that among cancer patients, women with breast cancer are the most numerous, as it is one of the most common cancers in India.

Women's Self-Defense Program

The need of the hour for the girls and women in the society is to safeguard themselves against violence committed against them. Army College of Dental Sciences organized a Self-defence program for women on 24-08-2017. It was felt that student welfare can strengthen the girl students for their self-protection and women empowerment. Due to the increased crime rate in the country, it is mandatory for all girls and women to know basic self-defense techniques and should be confident about themselves there is nothing more empowering than having the confidence to analyze a dangerous situation and take actions to overcome them effectively. Students were given a demonstration of self-defense techniques and tricks to enhance their overall wellbeing. All the girls of undergraduates and postgraduates and non-teaching staff also actively took part.

Gender Sensitization Debate

An event was held at the Army College of Dental Sciences in Secunderabad "On March 8, 2018, a gender sensitization awareness programme was held. It was held in the college auditorium, 'sushruta.' The event kicked off with a debate about gender equality. The program's main goal was also to make everyone understand why gender sensitization is so important "The entire discussion was highly interactive. The overall goal of the event was to create an environment that welcomes everyone with open arms. One theme resurfaced throughout the ceremony: equality knows no gender.

Role Of Women in Family And Society

Women have important societal roles to play. Socio-cultural factors, economic factors, infrastructure factors, and capacity building are all influencing their participation. On 9-03-2018, a talk on the topic "Role of Women in Family and Society" was held in lecture hall 4 of Army College of Dental Sciences, Secunderabad. The main goal of the talk was to emphasise the types of roles that women play in society, such as coaching classes, providing health care facilities, counselling and guidance, extra-curricular activities, making donations, organising activities and functions, reducing criminal and violent acts, reducing malnutrition, caring for the elderly, and providing information and raising awareness. A quiz competition was also held following the talk.

Mother's Day

Mother's Day is a special day for both children and mothers because it honours the unbreakable bond of love and devotion. Mothers are the family's emotional backbone, and they have a magical touch that can heal all wounds and make everything beautiful. On Mother's Day, May 14, 2018, the Army College of Dental Sciences, Secunderabad, held a singing and dancing competition. The two events' judging panels were not the same. Dr Ramana Reddy, Principal, Army College of Dental Sciences, opened the event with a warm welcome speech and asked the chief guest, Principal, Army Public School, to assist him in lighting the lamp. The event lasted one day, and students and instructors collaborated to make it a success.

End Violence Against Women

In response to rising violence against women, the Army College of Dental Sciences in Secunderabad hosted a lecture on the topic "End violence against women." The main focus was on women's rights and the various forms of violence perpetrated against women in our country based on current statistics. There are also various modes of communication and helpline numbers to contact the police for immediate action. Our principal praised the efforts of the state police for their initiative in spreading awareness across the state through various platforms such as educational institutes.

Nutrition For Healthy LifeStyle

"You are what you eat," and eating a healthy diet is just as important as exercising every day. On November 1st, 2018, doctors from Yashoda Hospital educated students and staff at the Army College of Dental Sciences in the college auditorium about nutrition for a healthy lifestyle. The event was well-received because staff and students actively participated in clarifying doubts and gaining tips for living a healthier lifestyle through food and exercise.

Breast Cancer Awareness Program

There are a lot of misconceptions about cancer, particularly breast cancer, even among the educated and it is alarming that among cancer patients, women with breast cancer topped the list. The objective of the campaign was to sensitize people about life after cancer and spreading awareness among the people.

An event on the topic "**Breast cancer awareness program**" was organized on 14-10-2016 at Army College Dental Sciences premises in the auditorium in collaboration with Indo – the American cancer institute, Hyderabad. Girls of all the undergraduate years from 1st year BDS to 4th BDS, interns, postgraduates, teaching, and non-teaching staff attended the program. The event started with a motivational lecture by Dr. Sai Rajendra, Head of the Department of General Surgery, ACDS. The main purpose of this program was to create awareness on breast cancer, especially among females of teaching and non-teaching staff.

Women Empowerment

On the 20th of January 2017, an event titled "Women Empowerment- Empower the Women, Develop the Nation!" was held at ACDS premises in the college's Shushruta auditorium. The event was attended by students from all batches as well as teaching and non-teaching staff. The event began with a presentation by the guest speaker on the topic "women: the future of India." Students were then divided into groups, and a quiz was given on notable female figures from sports, politics, astronomy, and other fields. Dr. Ramana Reddy, the principal, addressed the audience. He specifically addressed and motivated the non-teaching staff and conservancy members to support their female students in all aspects. The event concluded with an informative report analysis of Asian women's economic empowerment. The event's agenda was to raise awareness about how and why women's empowerment is such an important issue, and how each of us can play a significant role in changing society.
