Extract Of Annual Report (2020-2021)

In the year 2020-2021, the Army College of Dental Sciences organized various awareness programs, events, and extracurricular activities promoting topics like 'women's health matters-end inequality pandemic', 'Mother's Day, 'Women's Day, and 'cervical cancer awareness program'. Various debates and open discussions were held to illuminate the spirit of equality among the opposite sexes under Gender sensitization. The principal and Registrar inaugurate the events with a great pomp and show. Mother's Day was celebrated through various extracurricular activities glorifying the sacrifices and eternal love portrayed by a typical Indian mother through painting, dancing, singing, and skits. International Women's Day is celebrated on 8th March annually in campus. The principal, registrar addresses the gathering and delivers a talk on healthy lifestyles such as nutritional diet, yoga, and self-defense. College appreciates the efforts of female faculty members in the success of college achievements. The cervical cancer awareness program is celebrated annually too. The GOC of the Andhra sub-area inaugurates the event and addresses the gathering with his prestigious word. Various elite oncologists from continent hospital Hyderabad are invited to bless the event with their knowledge. Various extra-curricular activities are held to promote awareness about cervical cancer. The objective of the event is to impart knowledge about cervical cancer to the students and also maintenance of health and hygiene during periods among girls. A gender sensitization awareness program was celebrated on 11th October. The event was held in two phases, the first phase consisted of extracurricular activities performed by students, and the second phase focused on imparting knowledge about gender sensitization via information-based presentations and speeches by teachers and special guests. The students of ACDS show participation in all the programs in great numbers.
