NAAC Accredited 'A' & Certified ISO 9001 : 2015 & ISO 14001 : 2015

Policy Document of Midcourse Improvements

Objective

1. To motivate and help the academically weaker students to realize their weakness and help them to improve on their fronts.
2. Improving academic skills of the students in various subjects.
3. Raising their level of comprehension of basic subjects to provide a stronger for further academic work.

Procedure

After the identification of the slow learners the department prepares the schedule accordingly and then allots the topics to the faculty members. The students and the teachers are notified about the schedule and details of the remedial classes through notices. Then the remedial classes are conducted regularly for identified slow learners, as per the schedule. During these classes additional study materials are also arranged by the faculty for the students to build the knowledge gap and enable them to cope with the academic course to which they are enrolled. In addition the departments organize different activity like group discussion, study tours, guest lectures, along with interactions with the subject experts, etc.

Specific steps adopted for slow learners

1. Tutorials, discussions, interactions and remedial coaching.
2. Concept clarification and problem exercises.
3. Provision of simplified but standard lecture notes.
4. Revision of topics and practicals.
5. Enhancement of communication skills and art of learning.

Expected Outcomes

1. Improvements in university exam results of identified slow learners.
2. Enhancement in regularity and involvement in classroom teaching learning
3. Development of better and accurate sense of self with improved confidence.
4. Development and nurturing a deep understanding of personal motivation.
5. Students get opportunities for future.
6. Develop confidence to face placement drives.
7. Enhanced interest in the chosen subject.

NAAC Accredited 'A' & Certified ISO 9001 : 2015 & ISO 14001 : 2015

Special programs for Slow Performers:

- **Remedial Classes** are conducted for slow learners as additional classes in the required courses to reach the expected leaning level.
- **Improvement tests** for improving their performance in Internal Assessment examinations.
- **Counselling Sessions** are conducted regularly by allotting an hour in the time table allotting 15-20 students to a Psychologist. Faculty maintains individual mentor diaries for each student to record the regularity, student academics, extra and co-curricular activities. Apart from counselling, expert lectures in personality development are conducted regularly to counsel the students on placements, higher studies and stress management.

Special programs for Advanced Learners:

The following programmes are taken up to prepare for their readiness to the higher levels of learning in the respective discipline of study.

- Motivated to concentrate fully on job oriented trainings to get better placements.
- Encouraged to mold their ideas into design and development of innovative models.
- Guided to participate in various conferences/seminars, quiz competitions, paper or poster presentations.

Encouraged to become members of professional bodies to appear for competitive exams, to participate, organize inter college symposiums.

Protocol to measure Outcome:

- Continual Internal Assessment through tests, discussions and viva-voce
- University examinations

ORAL HYGIENE DAY

PRESENTER- DEPARTMENT OF PERIODONTICS

DATE: 1ST AUGUST 2020
TIME: 10:00 am onwards
VENUE: LECTURE HALL 4

PG students, staff members of all the departments.

Resource Person's Details

NAME: Dr Sanjay Vasudevan

DESIGNATION: Professor & Head of the Department, Army College of Dental Sciences, Secunderbad

DEPARTMENT: Periodontics

EMAIL/CONTACT INFO: drsanjayvasudevan2003@yahoo.co.in

Dr. Sanjay Vasudevan has done his MDS in PERIODONTICS from RAJ MUTHIAH DENTAL COLLEGE, ANNAMALAI in 1991. He

is Head of the department of periodontics in army college of dental sciences Secunderbad.

NAME: Dr Navneet Kaur
DESIGNATION: Senior Lecturer
DEPARTMENT: Periodontics

Dr Navneet Kaur has done his MDS in PERIODONTICS from Army College of Dental Sciences in 2020.

She is currently working as a Senior Lecturer in department of periodontics in Army College of Dental Sciences, Secunderbad.

REPORT

A program was held by Department of Periodontics on the occasion of ORAL HYGIENE DAY on 1st August 2020 in lecture hall 4 in ONLINE mode, Army College of Dental Sciences, Secunderabad. The program included a Lecture on Oral Hygiene and recent aids and advancements to maintain oral hygiene. The program also had another lecture on ELECTRICAL TOOTH BRUSHES by Dr Ajay Reddy, Reader, department of periodontics. An essay competition was held on Modern oral hygiene Aids where students from all the departments participated and shared their knowledge. The winners were awarded with a prize.

The program also included a Quiz held by the department where students from all the departments participated and winners were awarded with a certificate and prizes.

The program was attended by head of the departments, post graduates of all the departments and interns. The program was highly appreciated and received excellent feedback from the participants. Program was followed by an interactive session in which doubts of students related to the lecture were answered and it turned out to be a knowledge worthy experience to the participants.

Program Summary

Date	13 th february 2021
Program Title	CDE Programme on BLS and Medical emergencies in Dental practice
Dept/committee	Oral and maxillofacial surgery
Program Type	Lecture & Hands-on course
Venue	Sushruta auditorium,ACDS
Resource person & Topic	Dr.Ramakanth Reddy Dubbudu,Dr. K.V. Ramana Reddy
Co-Ordinator name	Dr. K.V. Ramana Reddy Dr. G Madhusudan rao Dr. Sukhwinder bindra
Permission details	Principal Office, ACDS
CDE points	5
No of Registrants/Participants	80 (expected)
Expenses	Nil
Balance	-
Feedback summary	The training program met the expectations of attendees in terms of organization of the lecture and hands on, meeting of training objectives, time allotted, material and content along with delivery of presentation by the speaker. Minor inconveniences were expressed in relation to catering.

<p>Program summary, analysis & recommendation</p>	<p>Program Summary: The program was a combination of lecture, and hands-on training of BLS, followed by a lecture on Medical emergencies faced in Dental chair.</p> <p>Program analysis: The programme was a success, reflected by the attendance of staff members, postgraduates & undergraduates alike. the programme began with an overview of oral and maxillofacial surgery as a speciality and a pre test regarding the basic knowledge and awareness regarding Basic Life Support. This was followed by a complete and comprehensive review of BLS by Dr. Ramakanth Reddy Dubbudu and lecture on medical emergencies in dental chair and how to manage them along with citing of some real life examples by Dr. K.V. Ramana Reddy. After a short refreshments break, Hands on training was commenced followed by a test of participants regarding what they have learnt..</p> <p>Future Recommendations: Courses like BLS should be conducted as a non-working day to ensure maximum attendance as it is a valuable life skill.</p>

DEPARTMENT OF PERIODONTICS

STUDENT EDUCATION PROGRAM

MODERN DAY ORAL HYGIENE AIDS

BY- DR. NAVNEET KAUR

DATE: 1ST AUGUST 2019
TIME: 10:00 am onwards
VENUE: LECTURE HALL 4

PG students, staff members of all the departments.

Resource Person Details:

NAME: Dr Navneet Kaur
DESIGNATION: Senior Lecturer
DEPARTMENT: Periodontics

Dr Navneet Kaur has done his MDS in PERIODONTICS from Army College of Dental Sciences in 2020. She is currently working as a Senior Lecturer in department of periodontics in Army College of Dental Sciences, Secunderbad.

Report

A Post graduate Student Education program was organized by Department of Periodontics on 6th June 2018 by the Department of Periodontics at Lecture Hall 4, Army College of Dental Sciences, Secunderabad under the guidance of **Dr Ajay Reddy**, reader, Department of Periodontics.

The program included a lecture on MODERN ORAL HYGIENE AIDS by Dr Navneet Kaur.

The program also included a Quiz held by the department where students from all the departments participated and winners were awarded with a certificate and prizes.

The program was attended by head of the departments, post graduates of all the departments and interns. The program was highly appreciated and received excellent feedback from the participants. Program was followed by an interactive session in which doubts of students related to the lecture were answered and it turned out to be a knowledge worthy experience to the participants
