**A NAAC ACCREDITED GRADE 'A' ISO 9001:2015 & ISO14001 : 2015 CERTIFIED NSTITUTION**

ACDS is a verdant campus nestled in the outskirts of Secunderabad city at Jawahar agar, Chennapur-CRPF road. It is adjacent to BITS-PILANI campus and the neighborhood boasts excellent amenities and connectivity. The campus houses a uniquely designed college and hospital building spread over 20 acres, women's and men's hostel, staff quarters, guest house and play grounds. The campus has access to ATMs, pharmacy and departmental stores. ACDS is deeply committed to the use of sustainable energy sources and the judicious utilization of resources in order to promote healthy environment for all. ACDS is a green campus with a state of art Auditorium, Volleyball court, indoor Badminton courts, tennis court, two basketball courts and a huge playground common for football, cricket and athletics.

At ACDS, we recognize the potential, challenges and needs of today's dental student. In order to provide them with holistic education and equip emerging dental professionals with skills on par with global competitive standards, ACDS offers the best in terms of infra- structure, co-curricular and extra-curricular opportunities.

### **Teaching Aids**

All classrooms are Information and Communication Technology (ICT) enabled. The classrooms are fitted with LCD Projectors, TV, OHP facilities and audio system.

### **Centre of Excellence**

The Centre of Excellence at ACDS is the first of its kind in India and is optimally used for Faculty Development Programs. This skilling Centre occupies pride of place as a unique hub of dental training at the national level. The Center of Excellence is involved in imparting continuing dental education using advanced simulation techniques, haptic technology and other latest technological advances. The Centre of Excellence will provide a platform for up-skilling and re-skilling for dentists within and outside the Institution. Best training options and treatment planning guidance will be provided by highly trained and experienced staff. A few of the state of the art facilities on offer for training will be Cone Beam Computed Tomography (CBCT), guided implant surgery training and lasers in dentistry.

### **Dental Education Unit (DEU)**

Dental Education Unit functions to enhance the teaching qualities of the faculty members to ensure content delivery by implementing curriculum in an organized manner to the students and also to improve the learning abilities of the students. DEU focuses on developing an educational system that fosters excellence and moulds a teacher into a competent dental educator by ensuring continuous quality improvement in teaching, learning, assessment and evaluation. DEU has started promoting interdisciplinary multi-modular, outcome based education in dental sciences. There will be introduction of integrated courses, CAT (Critical appraisal Teaching), and early exposure to clinical dentistry to the BDS students. DEU will facilitate collaborative research with allied health professions. DEU helps faculty to stay updated with current trends in dental education through educational workshops and conferences. DEU organizes orientation and induction programs to the newly appointed teachers about modern teaching, assessment and evaluation techniques and certifies them to be trained teachers in Dental Sciences. DEU also organizes refresher courses and faculty development programs for all faculty members.

### **Behavioral Sciences Unit**

Education at ACDS involves training in language and communication skills. Students are honed by constant exposure to Behavioral science education by subject experts. This focus on behavior and communication braces the ACDS student to adapt to situational needs and helps in gaining vital life skills necessary for successful professional life.

**A NAAC ACCREDITED GRADE 'A' ISO 9001:2015 & ISO14001 : 2015 CERTIFIED INSTITUTION**

## **Library**

Our ACDS Central Library is well equipped to support & encourage scholarly communications & professional development. Presently our library has around 4500 books, 24 international journals with back volumes, e- consortium for students & staffs. Free online journals are made available to our students any time. We also have unique ICMS management system that ensures easy access to all back volumes of journals from 2006 till date. The library system & staff are meticulously focused for providing a comfortable, user friendly environment so as to enable learning & knowledge creation & assimilation. Internet and photo copying facilities are available in the Library.

## **Mentoring**

ACDS seeks to make the tenure of a student in college a nourishing and nurturing experience. Each student is assigned a staff Mentor / Institutional Guardian who will provide guidance, help and advise the student personally throughout the duration of the course. This paves the way for academic and personal support to the student as they cope with academic and personal growth. Proctorship & Peer mentoring are the highlights of our unique mentoring program.

## **Behavioral Counseling**

Qualified behavioral therapist is available on campus to help and counsel students who experience difficulties in conforming to the needs of student life. This facilitates confidential support and early intervention to enable students to overcome obstacles to development and well-being.

## **Scientific and Academic Forum : CDE Programs**

Scientific and Academic Forum oversees and co-ordinates the activities of the various Scientific and Academic activities of the college. It's a common forum to initiate Curricular and Co-curricular activities to enhance more qualitative work amongst students & faculty from the Institution.

Scientific and Academic Forum works with the Institutional Review Board (IRB) to identify the potential presentable material through scrutiny and uplift the standard & quality of presentation with relevance to present national and international standards.

Scientific and Academic Forum oversees activities of the clinical society meetings within the college and works along with dental educational unit (DEU), and the Academic cell, Teacher training activities and organizes other events to meet the departmental and Institutional objectives.

Each Department organizes Seminars, Lectures and hands-on courses by visiting faculty in order to provide students with varied learning opportunities. These CDE Programs are accredited by the Telangana State Dental Council. They ensure beyond curriculum learning opportunities and updated knowledge of emerging trends.

## **Cultural and Sports Activities**

To bring out the latent histrionic talents of students, the student council organizes inter class cultural competitions and sports activities every year. The students are encouraged to participate in various cultural and scientific seminars and conferences conducted by the IDA and other reputed organizations.

The college encourages participation in various clubs that inculcate a strong sense of social responsibility in the student. Activities that contribute to team building, administrative and altruistic capabilities are the focus of three clubs that find wide membership and participation.

- (a) Youth Red Cross
- (b) Red Ribbon Club
- (c) National Social Service (NSS)

### **Alumni Association**

The College has a registered alumni association which organizes the alumni meet annually. The alumni of the Institution engage in periodic feedback and suggestions for improvement of College and have taken the onus of regular philanthropic work. The alumni are actively involved in all academic and extension activities of the Institution. As a gesture of goodwill, the Institution offers treatment to Alumni and the family members of Alumni at a concession of 15%. Alumni are also given preferential access to the training sessions at ACDS.

### **Campus and Hostels**

The campus is self-contained with hostels, sports fields and other amenities. It is well connected by city Bus Service (211M from Secunderabad Station) with Secunderabad and Hyderabad cities, Railway Stations and Airport. Separate hostels have been constructed for boys and girls and experienced wardens ensure efficient functioning. The students will be provided with all facilities in the hostel to make them feel 'at home' so that they can focus on academics. Spacious dining halls with modern cooking amenities have been provided to ensure hygienic food to the students. Hostel stay is compulsory for all students and students are not permitted to stay outside under own arrangements. Lodging and messing expense will be borne by the students.

### **Health & Recreational Facilities**

The following Health & Recreational facilities are available:-

- (b) The ACDS campus is self-contained in recreational facilities and amenities such as auditorium, Gymnasium & Cafeteria.
- (c) MI Room facilities are available on the campus under a trained Nurse. Sick students, are referred to MH Secunderabad whenever required. Dependency certificates/ECHS card details should be submitted to ACDS by all parents at the time of admission of their children.

## **TEACHING-LEARNING AT ACDS**

### **Education at ACDS**

Education at ACDS is aimed at inculcating the following signature attributes for a Dental Graduate from ACDS

- (a) Stewardship and Leadership
- (b) Research Acumen

- (c) Discipline and Ethical conduct
- (d) Clinical competence
- (e) Holistic development

The teaching-learning methods practiced at ACDS are rooted in the current trends of dental education practiced worldwide. The focus of education is on transformative learning so that dental graduates from ACDS emerge as accomplished dentists equipped to provide comprehensive dental care. They would have ingrained all the attributes necessary to perform in their role as a dental surgeon with exemplary success. ACDS has pioneered a hybrid teaching methodology of inculcating outcome-based education within the framework of the statutory curriculum. ACDS has set clearly defined program objectives that the graduating student would have attained at graduation. Through a mapping of the program and course objectives at every year of study, a student is gradually led to achieving increasing levels of competence. Teaching schedules and lesson formats are in place to deliver a structured learning experience

The Dental curriculum as set down by the Dental Council of India (DCI) and the KNR University of Health Sciences, Warangal, Telangana, recommends that the dental graduate fulfill competencies. These include general skills, diagnosis, treatment planning, communication, community resources and practice management. The implementation of the curriculum at ACDS focuses on empowering the graduate to fulfill these competencies and practice evidence-based dentistry. The dental student is made industry ready on graduation by incorporating the newer learner-centric methods of education technology such as Problem based learning (PBL), Clinical Decision Making (CDM), Critically appraised Topics (CAT) and community outreach programs.

Co-curricular activities will be pivotal in providing a pragmatic educational system that will allow application of robust scientific and humanistic values to clinical practice. The educational approach at ACDS is designed to provide training that will enhance the cognitive, affective, and psychomotor domains and thus provide integrated and holistic development

ACDS encourages blended learning with the optimal use of digital learning resources. ACDS implements Continuous Comprehensive Assessment, which includes an assessment of varied facets of a dental professional. Self-assessment at all levels is encouraged and incorporated for continual improvement.

### **CORE COMPETENCIES OF A DENTAL GRADUATE**

***'When we value Competence over the competition, Growth will triumph over goals'  
- Royston Braganza***

Every student who enters the premises of the Army College of Dental Sciences is an oral health leader in the making. The Institution strives to achieve this goal as guided by its vision and mission statements as well as by staunchly adhering to the norms as stipulated by the statutory bodies. The Institution has adopted evidence-based methods to define and implement learning outcomes, where teaching, learning, and assessment process are mapped to achieve the desired graduates attribute through Outcome-Based Education. The Institution strongly believes that these methods will help metamorphose a student into a competent oral health professional that will set the stage for continual growth.

Competencies encompass Knowledge, Skills, and Abilities (KSAs) in addition to other personal characteristics such as values, initiative, and motivation that contribute to successful individual and organizational performance.

**A NAAC ACCREDITED GRADE 'A' ISO 9001:2015 & ISO14001 : 2015 CERTIFIED INSTITUTION**

The core competency of Army College of Dental Sciences, Secunderabad has been formulated based on the three-circle model for specifying learning outcomes in Dentistry namely:

- a. Technical intelligence (What the doctor can do)
  - Intellectual, emotional, analytical, and creative intelligence (How the doctor approaches their practice)
  - Personal intelligence (The doctor as a professional)

*[Reference: Clark J.D, Robertson L.J, Harden R.M. The Specification of Learning Outcomes in Dentistry. British Dental Journal Vol. 196 No. 5 Mar 2004].*

## **THE INDIVIDUAL ATTRIBUTES:**

### **Professionalism:**

This attribute covers personal values, attitudes, and behaviors. On graduation a dental student will be able to demonstrate appropriate caring behavior towards patients and respect professional boundaries between themselves and patients, patients' families and members of the community. They will recognize professional and individual scopes of practice and provide culturally safe and culturally competent practice that includes recognition of the distinct needs of the population.

### **Scientific, Clinical, Applied and Integrated Knowledge**

. The graduated student will be able to diagnose diseases and abnormalities of the oral cavity and head/neck region. Obtain and assess information relative to systemic health of patients, initiating consultations and referrals to other health care professionals as appropriate. Develop a comprehensive treatment and/or referral plan, based on current oral disease risk analyses' and standards-of-care strategies.

### **Communication Skill, Interpersonal Skill and Leadership Quality**

. Apply interpersonal and communication skills to effectively care for diverse populations of patients and collaborate with other members of the healthcare team and engage in mentor/mentee activities and leadership within a health care team.

### **Critical Thinking and Clinical Decision Making**

Integrate and synthesize information to advance knowledge and skills through critical evaluation of biomedical literature and the application of new science. On graduation, a dentist must be competent in decision making, clinical reasoning and judgment to develop a differential, provisional or definitive diagnosis by interpreting and correlating findings from the history, clinical and radiographic examination, and other diagnostic tests, considering the social and cultural background of the individual. These attributes also help to sharpen the research skills of the student.

### **Clinical Expertise**

Provide treatment and/or referrals as appropriate with the goal of achieving physiologic form, oral function, and health. The graduating dentist must be competent to prevent and manage the majority of medical and dental emergencies and also to identify and promptly refer dental or medical emergencies, which are beyond their scope of management.

### **Social Responsibility**

Realize their role as community oral health leaders and demonstrate their ability to function in community-based disease prevention and health promotion activities.

### **Practice Management**

Identify the business principles and programs used in the administration of a dental practice while complying with all regulations, policies and protocols that relate to health, safety, and the law. Apply principles of risk management, quality improvement, infection control and radiation safety to patient care

### **Ethics and Jurisprudence**

Demonstrate an understanding of the concepts of professional ethics, health care principles and a familiarity with the DCI norms for Professional Conduct.

### **Pain Management**

therapies and behavioral techniques to prevent or manage pain and anxiety
