COVID VACCINE DRIVE

All the Staff of ACDS took Covid vaccine shot on 4th February 2021 at Jawahar Nagar PHC.

CDE

CDE Program on Basic Life Support and Medical Emergencies in Dental Practice was organized on the occasion of International Oral and Maxillofacial Surgeon's Day on 13th February 2021 in Army College of Dental Sciences, Secunderabad. The lecture on BLS was enthusiastically delivered by the guest speaker, Dr. Ramakanth Reddy Dubbudu, who is a renowned professor and consultant Oral and Maxillofacial surgeon holding various international degrees and royal society memberships to his name. This was followed by a hands on course, where the delegates were given a practical demonstration on the CPR training dummies. Dr. Ramana Reddy, Prof. and HDD, Dept of OMFS, gave an informative lecture and shared his life experiences on dealing with Medical Emergencies in Dental Practice. A 'pre test' and a 'post event test' was conducted by Dr. Ichita Joshi, the Organizing Secretary, in which a drastic rise in average scores was noticed from a baseline level of 53% to a final average score of 93% after the lectures, proving the success of this CDE. The event was conducted under the guidance of Dr. Ramana Reddy, Prof and HDD and his team of faculty, Dr. Sukhvinder Bindra and Dr. Madhusudhan Rao, Staff, PGs and Interns of Dept. of OMFS. The CDE workshop was conducted with proper social distancing, masks and frequent hand sanitation. Oral and Maxillofacial Surgery, being one of the oldest branches of dentistry, is a unique speciality which acts as a bridge between the dental and medical fields.

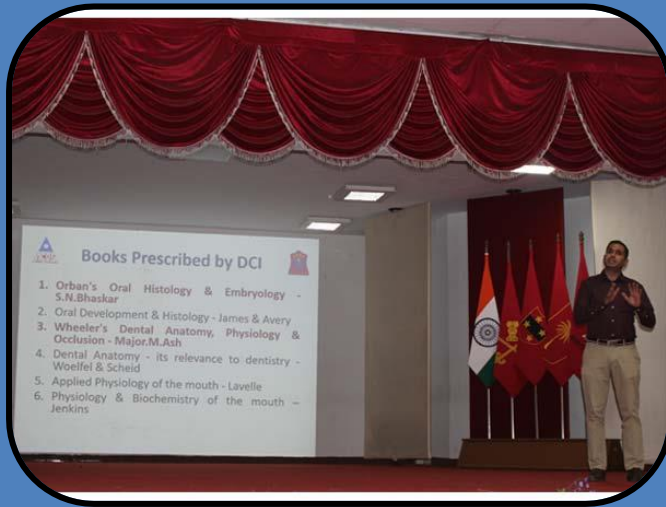

BDS ORIENTATION PROGRAMME

The orientation programme for BDS Batch 2020 was held on 26th Feb. 2021. The faculty introduced the students to the UG curriculum, the esthetic campus and the realm of dentistry. Dr. Venu Madhav highlighted the Anti ragging rules and regulations to make the campus ragging free.
